OSC Simon-

I wanted to confirm the time for the sampling at BP Whiting scheduled for tomorrow.

Please let me know as I will be gathering equipment this afternoon.

Thanks-

Jeff Bryniarski

Jeff-

I wasn't sure if you were planning on being at BP whiting tomorrow. It sounds like they are not going to be ready to do the split sample of the contaminated solids until Tuesday(4/8). I am awaiting confirmation of this and will let you know. We will not need a start onsite tomorrow, but will need one for the split sampling. I will let you know exactly when that will be.

Thank you,

Mike Beslow
